Audrey Grant, Eric Rodwell : Bridge Maxims: Secrets of Better Play before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bridge Maxims: Secrets of Better Play:

5 of 5 people found the following review helpful. Excellent first book on declarer play By A reader In this very clearly written book, the authors teach declarer play strategy to novices. They cover topics in notrump play (count your winners), trump play (count your losers and when to and when not to pull trump) and introduce the finesse. The book is targeted towards beginners, and does a very good job. It includes quizzes on how to play out hands. This book and the free ACBL software "Learn to Play Bridge" give a complete novice a good start in learning the game. 1 of 1 people found the following review helpful. Still great after these years By Lamplighter The book is about 25 years old as I remember, but still very timely in teaching someone the game of Bridge. It is clear and easy to read, but also thought provoking. 0 of 0 people found the following review helpful. Three Stars By Dorothy J. Knowles Not what I expected it to be
