Several of his friends have the book highly recommended it. He uses it everyday. I see him studying it and he carries it with him to his games.3 of 4 people found the following review helpful. Review of Bridge- Techniques and Tips from the mastersBy Harley MoseleyAs a book for persons who play bridge either at the competitive level or purely for recreation, it surpasses expectations. The writing style is clear and the content well laid out. The explanations are coherent and easy to follow and the examples useful and relevant. I completely and whole-heartedly recommend it to bridge players at all levels.
