Jose Le Dentu : Bridge: Triumphs and Disasters (Master Bridge Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge: Triumphs and Disasters (Master Bridge Series):

Jose Le Dentu has for many years been an important figure in French bridge, with an equal reputation as player, author and journalist. This book presents some of his best writing on bidding, defence, dummy play, problems and catastrophes. All the deals are from actual play.
