One of the best choral pieces ever written By Nicholas G There is nothing I can say that will add to what has been said about the War Requiem by people many times more intelligent than myself in the past. If you want a in depth review of the work look for reviews by professional reviewers! In my opinion this is one of the best choral works ever composed and possibly THE best choral work of the 20th

century. This is a great full score, too! 0 of 0 people found the following review helpful. A little small to see
By Earl M. Barker, Jr. Great composition. Heard a performance and wanted to see how it might have been done. Nice to get a true full score in something more than note size however. 0 of 0 people found the following review helpful. Five Stars
By Peter G Westin It's a Boosey and Hawkes score. It's a clean, legible layout.

(Boosey Hawkes Scores/Books). Words from the Missa pro defunctis and the poems of Wilfred Owen. Other scores available: Vocal (48009029), SATB Choral (48009030), Boy's Chorus (48009031). Orchestral performance materials available on rental from Boosey Hawkes.
