Hollywood 360 : Broadway Is My Beat, Vol. 1 (Hollywood 360 Classic Radio Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Broadway Is My Beat, Vol. 1 (Hollywood 360 Classic Radio Collection):

[Audio Theater] Broadway Is My Beat was a dark, gritty radio crime drama that ran on CBS from 1949 until 1954. By the thirteenth episode, the series had moved to Hollywood with producer Elliott Lewis directing a new cast in scripts by Morton Fine and David Friedkin. The re-creation of Manhattan's rich, aural tapestry required the talents of three sound effects artists. The opening theme of "I'll Take Manhattan" introduced Detective Danny Clover as a hardened New York City cop who worked homicide "from Times Square to Columbus Circle-- the gaudiest, the most violent, the loneliest mile in the world." Clover narrated tales of the Great White Way to the music of Wilbur Hatch and Alexander Courage.
