To be honest, I got it because it has Benedict Cumberbatch in it and everyone raved about it. After all 26 episodes, although I do love Martin I have to say my favorite characters are Author and Theresa. There are parts where I am in tears laughing. It's now my go to set to listen to on long trips. I even got my son into it and of course we now play Yellow Car on those same road trips. If you're on the fence, don't think, but press the order key and buy it. You won't regret it.0 of 0 people found the following review helpful. Absolutely brilliant! Worth every penny!By CeliaAbsolutely brilliant! Worth every penny. Very cleverly written, fantastic cast and just a joy to listen to. The extra material, the interview with John Finnemore and David Tyler is great too. If you need a laugh in your life, or even if you think you don't, consider buying this. I bet you won't regret it. I bet the squidgy cheese on it!0 of 0 people found the following review helpful. Bloody Brilliant!By K. DeeganAbsolutely brilliant radio production loaded with familiar British talent! Cannot stop recommending this to all my friends and also complete strangers.This collection is a lovely collection. It's worth it for the art included and bonus tidbits. I have now listened to the whole set multiple times and it still makes me laugh. I'm now constantly on the lookout for yellow cars and traveling lemons.

Every episode of the hit BBC Radio 4 airline sitcom is collected together in this special box set, including the

Christmas special final episode and several bonus features. Cabin Pressure is set in the wing and a prayer world of a tiny, one-plane charter airline, staffed by two pilots one on his way down, and one who was never up to start with. Whether flying a cat to Abu Dhabi, dealing with a nervous bassoonist, hunting for a cleverly-hidden lemon, or attempting to celebrate Christmas in seven minutes, no job is too small, but many, many jobs are too difficult. Carolyn Knapp-Shappey, MJN Air's formidable boss, has employed two of the very cheapest pilots money can buy: Captain Martin Crieff, who's always wanted to fly and won't let a little thing like lack of ability stop him, and First Officer Douglas Richardson, smooth-voiced old sky-god and eternal schemer. Passenger service is provided by the relentlessly cheery Arthur. Written by John Finnemore, Cabin Pressure stars Stephanie Cole as Carolyn, Benedict Cumberbatch as Martin, Roger Allam as Douglas, and John Finnemore as Arthur.
