Shane Mooney : Caesar III: Prima's Official Strategy Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Caesar III: Prima's Official Strategy Guide:

6 of 6 people found the following review helpful. HelpfulBy James D CobbGranted that this book is no walk-through nor is as detailed as some on-line posts, some of us who don't have time to wade through newsgroup archives will find it valuable. Its strength lies in its organization. Reading the mission descriptions and the third chapter will give a sense of city design. The description of the structures is more accessible than the manual's tables. It's very handy as a quick reference and has given me several "Afa! So that's how it works" insights that saved me a lot of time. However, it MUST be used in conjunction with the manual. Some options, such as Trade Center, are easier to find in the manual. A good buy for the gamer with limited time. 0 of 0 people found the following review helpful. Great detail- very helpful!By Strawberry-Limoncello MartiniI love this game! I know its old school- but for some reason I am drawn to it. Maybe its because I remember playing it when it first came out years ago. The guide is excellent and explains things in great detail. I wish I had it back in the late 90's when I first played the game! 0 of 0 people found the

following review helpful. CEASAR III GUIDE BOOKBy S. WELLFORDI PLAY THIS GAME ALL THE TIME,BUT WITH THIS GUIDE BOOK. I CAN PLAY EVEN BETTER. IT HAS EVERY THING YOU NEED TO WIN EACH LEVEL AND MORE. GTREAT GUIDE BOOK.
