Kathleen Battles : Calling All Cars: Radio Dragnets and the Technology of Policing before purchasing it in order to gage whether or not it would be worth my time, and all praised Calling All Cars: Radio Dragnets and the Technology of Policing:

Calling All Cars shows how radio played a key role in an emerging form of policing during the turbulent years of the

Depression. Until this time popular culture had characterized the gangster as hero, but radio crime dramas worked against this attitude and were ultimately successful in making heroes out of law enforcement officers.

About the Author Kathleen Battles is assistant professor of communication and journalism at Oakland University.
