Are you looking for Candy Crush tips? Do you need hints that will clue you in on how to succeed at the game? Is your head spinning from wondering what to do with those Striped Candies, Wrapped Candies, Color Bombs, Jelly Fish, and Coconut Wheels? "Candy Crush: How to Conquer Those Sweet Levels" is just what every individual who is new to Candy Crush needs. It is also helpful for those who have been playing the game for awhile but don't know how to get high scores and level up quickly. The book makes the process extremely easy. When certain things are explained, you might wonder why you never really figured it out before. The text is extremely easy to read. If you are an avid Candy Crush player, you will be moving up through the levels in no time at all. The book is a keeper!

About the Author Who does not love Candy Crush? Marcia Rhodes got hooked on the game shortly after she started playing. In fact, one of the things that she had to learn was that she had to pace herself so as not to let the playing of the game affect her work routine. Marcia found it to be a great way to alleviate stress, and she decided to learn as much as she could about getting from one level to the next with ease. As she learned new tips and tricks, she made note of them. She was even able to help her friends to get over those troublesome levels. It was the suggestion that she create a book to help others that caused her to write this guide to conquering Candy Crush Saga.
