traveler I found this book very informative and knowledgeable. This book provides so many facts and trivia around the world which I didn't aware of . 'Capitals of the word" is well-written by Matt P and it is very unique kind of book. I enjoyed a lot and recommend to all readers.0 of 1 people found the following review helpful. Five StarsBy The OlivalsCapitals of the World offers great facts and fun, unique the trivia. Easy, enjoyable reading.

Capitals of the World is a trivia book with all capitals of the world, at least from the most countries. The trivia is mostly of information that is not easily gathered and it is not, by any means, an encyclopedia. This will probably help you to know some crazy facts and maybe on trivia nights. Judging this book by its cover might be correct. It is edited in a simple way and it simply shows the trivia.
