Roberto Giobbi : Card College, Vol. 1: A Complete Course in Sleight-of-Hand Card Magic before purchasing it in order to gage whether or not it would be worth my time, and all praised Card College, Vol. 1: A Complete Course in Sleight-of-Hand Card Magic:

3 of 3 people found the following review helpful. This is considered the premier course on card magic for ...By Shiloh J MadsenThis is considered the premier course on card magic for a reason. Starting from simple beginnings, he manages to cover a breadth of technique that no other book can match. Spend time on this one rather than devouring it. Practicing basics is critical to doing anything in the way of real effects.0 of 0 people found the following review helpful. Absolutely worth itBy Joshua DeWaldThis book has consistently been recommended by friends of mine who are professional magicians. Was not disappointed by the level of detail that Giobbi goes into describing the position of the hands, the psychology of moves, and lots of "Check Points" to make sure that you are doing the methods correctly. The tricks included that make use of the methods are quite nice as well.1 of 1 people found the following review helpful. can't say enough about this seriesBy Russell Wagneranyone interested in magic. Especially card magic. These are absolutely without a doubt the best books written in the field on card magicI

The first volume in this landmark course sets the groundwork for the rest of the series, beginning with lessons on the proper ways to hold, deal and shuffle the cards, then progressing through many basic sleights and techniques,

including perhaps the most thorough and revealing discussion of the classic force ever offered. Along with the classics of card magic, Mr. Giobbi includes original ideas and refinements from his own repertoire, guaranteeing every reader, no matter how experienced, fresh techniques and insights into the performance of professional caliber card magic! Some of the topics covered in Volume One include: The Tools of Card Magic Fundamental Techniques The Overhand Shuffle The Riffle Shuffle False Cuts Transfer Cuts Card Controls Card Forces The Glide The Double Lift The Hindu Shuffle Flourishes The Spread Cull The Top Change The Key Card Auxiliary Sleights
