Ron Klinger, Andrew Kambites : Card Play Made Easy 2: Know Your Suit Combinations (Master Bridge Series) (v. 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Card Play Made Easy 2: Know Your Suit Combinations (Master Bridge Series) (v. 2):

0 of 0 people found the following review helpful. ... borrowed the book from the bridge club library and loved it so much I purchased one. By Customer I had already borrowed the book from the bridge club library and loved it so much I purchased one. Kat Carr 6 of 6 people found the following review helpful. Lots of good examples and problems for the reader. By B. Einhorn I very much like Klingers 4 volume set Card Play Made Easy. The books are concise, with good illustrative problems, and have lots of well designed quizzes. At the end of the book is a long quiz testing all the material. Not only do the problems test the subject matter they also test overall card play technique. For example: Lets say the problem is one of entries, with the reader focusing on one or two suits. Lets say a third suit contains AKxxx opposite Jx. The book solution reminds the reader to first play the Ace to see if the Queen drops. Its very unlikely, but if you get into good habits all these extra 1%, 2%, 3% chances add up. Sometimes two or more of these extra chances occur in a hand. Using correct technique costs nothing and may help you make an extra contract one in 20 - 30 times, without having to know advanced techniques, such as double squeezes. Unlike the Bridge Technique series by David Bird, these small books pack a huge number of well designed problems into a small space. (perhaps 150 problems vs. Birds 36) They are far better value for the money than the Bird books.

This is the second title in a series which is aimed at helping players improve their understanding of suit combinations and develop their card-play technique.

About the Author Andrew Kambites is a leading English bridge teacher and author and lives in Stroud, Gloucestershire. Ron Klinger is a leading international bridge teacher and has represented Australia in world championships since 1976. An Australian Grand Master and a World Bridge Federation International Master, he has written over fifty books, some of which have been translated into Bulgarian, Chinese, Danish, French, Hebrew and Icelandic. He has created many new bridge ideas and devised a number of conventions. He lives in NSW, Australia.
