**Georges Bizet : Carmen (German Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Carmen (German Edition):

1 of 1 people found the following review helpful. Glad I bought this bookBy Amanda A HaalandI love this story. I've watched the opera, the musical, the Spanish film, and mtv version. I also borrowed this book from my local library about two years ago read it and was planning to rent it again. But between then and now they sold all there old books. I'm glad I decided to purchase this book for myself after all it is one of my favorite stories. Would recommend this book for anyone whose looking for a quick read and a pretty decent story line.0 of 0 people found the following review helpful. ClassicBy Kindle fanThe original text was french but the tale is in Spain.There are a lot of words without translation but sometimes the same character explain the meaning. In pos 297 "I call myself Don, because I have a right to it, and if I were at Elizondo I could show you my parchment genealogy"Some other words without translation in this edition you have an explication like the word "Veintiquatro" the editor said that it refer to a

Magistrate in charge of the municipal police arrangements, and local government regulations. I find this edition could help to understand some gipsy and spanish old costumes. I recommend this book and this edition when you want to read classics books. 0 of 0 people found the following review helpful. Fun reading By Richard H Littooy I got interested in reading Carmen from playing a slot game of the same name. I have now read Karanina for the same reason. One doesn't always know what will inspire a search for a great story. Kindle has provided the inspiration.

Title: Carmen Composer: Georges Bizet Original Publisher: Peters The complete German vocal score to Bizet's Carmen as originally published by Peters in 1900. Performers Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to small performing arts organizations to create jobs for performers and to encourage audience growth.

This is one of the most pleasing Overture Opera Guides to date. They are fast becoming as necessary to a good night at the opera as a ticket in the better parts of the house. - BBC Music Magazine Neat little volumes they are, handy for carrying around, clearly printed and well set-out, complete with libretto and translation, discography and a generous selection of illustrations. - Gramophone For everything you need to know, concisely packaged. - The Telegraph This is an invaluable addition to an already valuable series . . . In short, a must for every Carmen-lover's (and director's) bookshelf - Opera Magazine Beautifully produced and designed . . . they are terrific value. - Rupert Christiansen, The Daily Telegraph About the Author 1803 - 1870. Auteur de supercheries litteraires ("Theatre de Clara Gazul, " 1825; "la Guzla, " 1827), de romans historiques ("Chronique du regne de Charles IX, " 1829), il doit sa celebrite a ses nouvelles ("Mateo Falcone, " 1829; "Tamango; la Venus d'Ille; Colomba, " 1840; "Carmen"; "la Chambre bleue"). Inspecteur des Monuments historiques, il fut, sous l'Empire, un des familiers des souverains. Il traduisit alors les ecrivains russes. Romantique par le choix des sujets et le gout de la couleur locale, Merimee appartient a l'art classique par la concision de son style. (Academie francaise.)
