for the beautiful sketches and the music for the Piano is quite good. I own the entire series and I am very happy with  
my purchase.0 of 0 people found the following review helpful. Great drawings, information on Carmen act by actBy  
MusicianGreat drawings, information on Carmen act by act, and not very easy, although simplified arrangements.  
Happy to have allthe variety of songs from the opera.

(Schott). Bizet's Carmen is one of the most famous operas of all time. Love, jealousy, murder, vast choral set pieces, and overwhelming passion combined with a colorful Spanish setting are sure-fire ingredients for a world-wide success. All the most beautiful tunes from this opera including the Habanera have been arranged in easy versions. The pretty illustrations by Brigitte Smith, in color throughout, add to the attractiveness of this volume.
