Georges Bizet, Opera and Choral Scores : Carmen Vocal Score (Dover Vocal Scores) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Carmen Vocal Score (Dover Vocal Scores):

0 of 0 people found the following review helpful. Don't buy this unless you are performing it in German! By Cembalista Yes, it looks beautiful, the typeface is stunning, the paper is excellent quality, but unless you are performing Carmen in German, do not buy this edition!! Go with Alkor or Schirmer! The German version is on the bottom in italics, but the strong typeface makes it rather annoying, even though the French is on top. (Even more annoying than in Britten scores). As pretty as it is, the music is stretched out way too much, making page turning even

more annoying. 0 of 0 people found the following review helpful. Easy to read
By Linda Carmen Vocal Score (Dover Vocal Scores) ...: I did not really need a score, because I am not studying the music. However, I could not follow the works that only included the libretto. With this, I see what parts of the libretto go with what parts of the music, and I can follow
0 of 0 people found the following review helpful. This is the best edition of Carmen you can find
By HL This is the best edition of Carmen you can find. It's is big and heavy, though, but worth it. On of my friend, who is a world-class baritone (I prefer not to name him on a public review), suggested this edition to me. Paper quality is great, and the printing is top-class.

The musical story of a gypsy girl and the bullfighter and a soldier who vie for her favors, Carmen offers an irresistible combination of highly original music in a romantic and exotic setting. This inexpensive, authoritative edition of one of the world's most popular operas presents the classic Schirmer edition of 1895 in the original French with a complete English singing version by Dr. Theodore Baker. Indispensable for singers, chorus, and rehearsal pianists, this beautiful engraved volume will delight performers and all devotees of great operatic literature. Lists of credits, characters, and contents. English stage directions. Text in French and English. Amateur and professional performers alike will appreciate this handsome, moderately priced practice and performance edition of the opera's vocal score. Ideal for study, rehearsals, and recitals, it contains the complete music for voices with a piano reduction of the vocal score. Lyrics appear in the original Italian only.
