However, some piano parts are difficult to read (just supporting voice accompaniment?)1 of 1 people found the following review helpful. This is such a great resource to have and this book was exactly what ...By Kathryn JacobiWe are singing this in my Chorus and the music they gave me just had the women's part and not the piano part or the men's part so I wanted to get a full score. This is such a great resource to have and this book was exactly what I needed! I'll definitely be using it over and over again so it was a very good investment.0 of 0 people found the following review helpful. Beautifully done copy.By MarkBeautifully done score. Extremely readable words and notes. Highly recommend.

(Schott). Piano reduction of the score with vocal parts.
