Laura Parkinson : Castlevania: Lament of Innocence(tm) Official Strategy Guide (Brady Games) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Castlevania: Lament of Innocence(tm) Official Strategy Guide (Brady Games):

0 of 0 people found the following review helpful. A good strategy guide. By Barbara Kast Very useful, particularly when I'm trying to get all 3 extra whips and all the accessories. If you can get this cheap and want to do a 100% run of the game, grab it. 0 of 0 people found the following review helpful. Great Find at a Cheap Price By Karm I love this game and I played it years ago without the guide. Back then I didn't use many guides but over the past 2 years I have been on a hunt for cheap guides to collect and buying this has made me play the game again. It has been very helpful and I believe that reading this has helped me find items in areas that I most likely missed 10 years ago. I am very happy with this purchase. 0 of 0 people found the following review helpful. Castlevania Lament of Innocence strategy

guideBy CroquinhoAfter receiving this book, I was pleased to see a detailed walk-through explanation with illustrations to help understand what to do correctly. Since the game has many places for the player to go that are not where one would expect, it seems to me that without this guide, it would be nearly impossible to complete the game. That is unfortunate to me, having a game with so many hidden areas of importance that are necessary to complete the game that requires the guide to finish. I prefer a game I can finish without a guide, but definitely like to have a guide to reference in order to get everything I can possibly get after I finish the game without needing a guide.

BradyGames' Castlevania: Lament of Innocence Official Strategy Guide provides a comprehensive walkthrough to lead players through the entire adventure. Detailed monster lists and boss strategies. Complete spell fusion coverage, plus devastating combo and moves lists. Tips for discovering magic tomes, all hidden collectibles and more!This product is available for sale in North America only.
