Radmara Willow : Catch Em All - The Ultimate Guide to Becoming a Master Pokemon Trainer: An Unofficial Guide to Playing Pokemon Go before purchasing it in order to gauge whether or not it would be worth my time, and all praised Catch Em All - The Ultimate Guide to Becoming a Master Pokemon Trainer: An Unofficial Guide to Playing Pokemon Go:

1 of 1 people found the following review helpful. I would skip. By LoFor beginners only. 0 of 0 people found the following review helpful. Helped me By Dianna Krueger This book has helped me out when it comes to learning about different ways to catch pokemon. For a while I would get a little upset cause I would waste pokeballs trying to catch them. I finally read this book and have been out walking and catching them. I was given this book to help me and wanted to let others know it does help the beginner out. 0 of 0 people found the following review helpful. Best guide around!!! Can I give 10 stars!!! By Bridget T Great guide. I love this game and this guide helped with a few things that touched base on that varies from going to a bunch of websites. Learning curve balls, mass evolves to gain tons of XP and all the basics for new players. I did note on regional Pokmon coming from eggs and Radmara Willow contacted me back and was going to make updates which was awesome to get feedback so quickly. This guide is as good as all the type you use to buy playing the Gameboy game versions back in the day. Wish I could give more than 5 stars since this covered everything up to the buddy system that was just released a few days ago. Also on a personal note I thought this book was more helpful than checking out a dozen sites to learn tricks.

COMPLETELY REVISED AND UPDATED This guide contains all the most recent changes to the game including the Buddy System, Capture Bonuses, Spawn Changes, Pokmon GO Plus, Gym Changes, Tracking and more. (See the full list of topics below.) You want to be the best. A Trainer. A Master Pokmon Trainer. Read Now and Catch Em All. Learn Pokmon Go from an expert gamer. No cheats. No illegal hacks. About the Author About the Author Im an educator and an artist. Ive been a gamer from the day my older siblings introduced me to PacMan on the original Atari 2600 and have played so many games that Ive lost count. I enjoy gaming and being a part of the communities that come out of these wonderful creations. Without the support of my wonderful wife and daughter, this book could not have happened. Thank you very much for buying this guide. I hope that it helps you to be the very best the best there ever was. Take care, fellow Pokmon Trainers. Catch em all.
