"Cats: Songs from the Musical" is a much better buy (much more complete than this easy piano version)1 of 1 people found the following review helpful. Great easy piano version of CatsBy Justin T.Great easy piano version of Cats, however the book is missing a couple of songs. EhhBy Zach RadhuberIt has most of the major songs from the show, but for many of them you get the music for half the song and then the rest is the lyrics printed on a separate page.
