From CD Sheet Music : CD Sheet Music: Mendelssohn and Grieg: Complete Works for Piano before purchasing it in order to gage whether or not it would be worth my time, and all praised CD Sheet Music: Mendelssohn and Grieg: Complete Works for Piano:

This CD contains the virtually complete solo piano works for each composer Includes Mendelssohn's Songs Without Words, the Sonatas, Variations, plus piano 4-hands and piano and orchestra. Contains Grieg's Lyric Pieces (all 10 books!), Norwegian Dances and Folk Songs, Suites and transcriptions (including Peer Gynt), piano 4-hands and piano and orchestra. Editions used are from the catalogs of Peters, Breitkopf and Hartel, G Schirmer, C Fischer, G Ricordi and others. A great reference with many unfamiliar works to explore.
