I am a fan of the NYT Sunday Puzzles, but these are much better. My 70 yr-old brain works a lot harder on these than on x-words. I'm not doing recall w/ a little brain work, I'm doing ALL brain

With more than 100 puzzles, made up of 10 different puzzle types, word lovers will unquestionably find something new, intriguing, and challenging. Some, like Split Decisions and Two-by-Twos, may be familiar, but others-like clueless crosswords, latticework, and fraze-its-go far beyond the usual. "Clever, innovative, expertly crafted-George Brederhorn's variety puzzles are always a pleasure. Count me as a big Bredehorn fan."-Will Shortz, Crossword Editor, The New York Times.
