From Brand: Chambers : Chambers Book of Facts before purchasing it in order to gage whether or not it would be worth my time, and all praised Chambers Book of Facts:

This new edition of Chambers Book of Facts is the most reliable source of up-to-date information available. This full-featured reference boasts over 200,000 facts and figures covering 280 fields of interest, all arranged into 14 different subject areas, such as space, nations of the world, history, arts and culture, sports and games, and more. Information is presented in an appealing two-color layout using diagrams, tables, lists, and maps. Facts and figures are complemented by other valuable information, such as brief biographies and current sports results. Truly international in scope, covering all subjects of interest, Chambers Books of Facts is an essential home reference and a must-have for any trivia junkie.

About the Author This internationally renowned reference publisher continues its celebrated tradition of excellence into the present day with such informative and authoritative works as the Chambers Crossword Dictionary, Chambers Encyclopedia, Chambers Biographical Dictionary and the all-new Chambers Dictionary of Quotations. Chambers is based in Edinburgh, as it always has been, and employs editors with a wide range of skills on dictionaries and other titles for a variety of users, including students and teachers of English as a foreign or second language. As well as the core business of publishing dictionaries and thesauruses, Chambers also publishes a range of titles on grammar and usage, single-volume reference titles on science, history, biography and quotations, as well as titles for Scrabble and crosswords.
