From Eighth Note Publications : Champagne Variations: Part(s) (Eighth Note Publications) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Champagne Variations: Part(s) (Eighth Note Publications):

This is a fun show-off tune for 2 cornets (or trumpets) and piano. Originally for string quartet, it works very well in this new setting. This is a simple theme and variations with the melody line alternating between the two soloists. This allows for plenty of rest so neither player is overworked. The technique and range is reasonable for most players.
