J. H. Blake : Chess Endings For Beginners before purchasing it in order to gage whether or not it would be worth my time, and all praised Chess Endings For Beginners:

Originally published early 1900s. A well illustrated and informative book dealing with the various ways to end a game of chess. Contents Include: Pawn Endings - Miscellaneous Endings - Solutions etc. Many of the earliest games books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive.
