Valeri Beim : Chess Recipes from the Grandmaster's Kitchen before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chess Recipes from the Grandmaster's Kitchen:

An experienced trainer and grandmaster explains key principles of chess strategy and thinking methods in chess. His 'recipes' include: tactical ideas in the middlegame; liquidation to the endgame; the technique of analysing variations; inverted thinking in chess. Readers are presented with new ways of looking at chessboard issues that will help them develop a deeper understanding of the game. Every chapter contains stunning examples of the themes, together with

challenging exercises where you can put your new insights to the test.

About the Author Valeri Beim is a grandmaster who lives in Austria. He has won numerous tournaments and plays in the Austrian and German leagues. For many years he was the head trainer at the chess school in Odessa (Ukraine), and he was also the trainer of the Israeli olympiad team.
