Alan Walker : Chihuahua Classic Nine-Letter Word Puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised Chihuahua Classic Nine-Letter Word Puzzles:

See how many words you can make from nine letters, one of which must be present in every word. Can you find the nine-letter word? Here are 100 classic puzzles from the popular Chihuahua Word Puzzle website, with statistics and charts you can use to measure your success against online players from around the world. All solutions are given at the

back of the book, including the rarest words you could wish for. Unlike in previous books of Chihuahua word puzzles, the solutions exclude most plurals and verbs ending in S, to match the rules followed when the puzzles were played online. For the same reason, solutions include any words found in modern dictionaries, including a few expletives and racial epithets.

About the Author Australian creator of the Lexigame websites featuring word games and puzzles.
