**Alan Walker : Chihuahua Nine-Letter Word Puzzles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chihuahua Nine-Letter Word Puzzles:

The classic nine-letter word-finding puzzle. See how many words of at least four letters you can make from an array of nine letters. The letter in the middle must be used in every word, and at least one word can be made that uses all the

letters. The book contains 100 puzzles. Each puzzle has targets for how many words you find. Good, Better and Best can be reached with well-known words. Two higher target levels require some more obscure words. You decide which target to aim for. All possible words are listed in the Solution section. Derived from the popular Chihuahua Puzzle website.
