From Hal Leonard : Children's Songs (Guitar Chord Songbooks) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Children's Songs (Guitar Chord Songbooks):

This one is not. OK, I can deal with the small size. I feel bamboozled. I didn't understand the heading on the front that said, "guitar chord songbook" because

that's all it is. Just the lyrics (and some songs seem incomplete) and the chords. They show the notes for just the first line of the lyrics, not the whole song. This is useless. If you already know the song then it can be useful for using this book in the key that is used, other than that if you don't know the song it's useless. I may be returning this. On the website it said something to the effect that this is a sample. That was misleading. It was an actual example of what you were getting. 0 of 0 people found the following review helpful. It's great if you know the melody By Kitt McComb It's great if you know the melody. But wonder if you don't? The short musical phrase they provide is not enough to get you through an unfamiliar song. I expect more from a music book. 1 of 1 people found the following review helpful. Good song collection but font is too small By ShoppinMama I love the compilations of songs in this book but the font is way too small. It deems it practically useless to look at while playing, not to mention that it doesn't easily stay open.

(Guitar Chord Songbook). A great resource for 80 top songs for kids, complete with the chords and lyrics for each. Songs include: Alphabet Song * Animal Fair * Any Dream Will Do * The Bear Went over the Mountain * The Brady Bunch * The Candy Man * Do-Re-Mi * Edelweiss * Eensy Weensy Spider * Home on the Range * It's a Small World * Old MacDonald * On Top of Spaghetti * Puff the Magic Dragon * The Rainbow Connection * Sing * Supercalifragilisticexpialidocious * Take Me Out to the Ball Game * Twinkle, Twinkle Little Star * Won't You Be My Neighbor? * Yellow Submarine * more!
