found the following review helpful. Five StarsBy CustomerLove Chopin!0 of 0 people found the following review helpful. These are Chopin's original arrangements, so as an early ...By Mary K.These are Chopin's original arrangements, so as an early learner you can play you own authentic unsimplified Chopin. I am loving it.

This Practical Performing Edition is a well-rounded introduction to Chopin's easiest piano pieces. It contains the familiar ""Prelude in A Major,"" ""Prelude in B Minor"" and ""Prelude in E Minor,"" three waltzes (published posthumously), six mazurkas and additional works. Ornaments are realized and fingering and pedal suggestions are provided. Biographical information and a brief discussion of each work further assist students with Chopin's style.
