Still extremely challenging in my opinion, because Chopin is not easy, but I've been able to master the first two songs... the rest will be a challenge, though. 0 of 2 people found the following review helpful. Five Stars By T. B. Rowan III My daughter uses this book daily. 0 of 3 people found the following review

Known as a "pianist's composer," Chopin's love, passion and devotion to piano music resulted in over 200 compositions. This collection contains the more accessible pieces which still have vivid melodies and lush harmonies.
