Chopin : Chopin -- Etudes (Complete) (Comb Bound Book) (Alfred Masterwork Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chopin -- Etudes (Complete) (Comb Bound Book) (Alfred Masterwork Edition):

0 of 0 people found the following review helpful. Five StarsBy Connie J.Perfect book4 of 4 people found the following review helpful. Chopin EtudesBy Donna M. HopsonThis edition has clean print and helpful performance notes. The comb binding keeps it flat for visibility. I bought it for one particular etude and now hope to explore others.

It's a great collection. 1 of 1 people found the following review helpful. Five Stars By Veronica Richardson Love the etudes. Nice and clear. Easy to read.

Although each study emphasizes an aspect of virtuoso piano technique, the etudes are some of the most effectively moving of all the concert works in piano literature. This 144-page volume includes the 24 Etudes, Opp. 10 and 25 as well as the three etudes without opus numbers composed in 1839 for Moscheles and Fetis's Method of Methods. Pedaling is taken from the original manuscripts and first editions, and fingering is editorial. The comb binding creates a lay-flat book that is perfect for study and performance.
