The sheet music is clear and provides additional explanations of any potential edits in the music. One of the grace notes was printed as 16th notes, when I think it should have been 32nd notes4 of 4 people found the following review helpful. classic!By Willow BehrIt's the full, unabridged version as written by Chopin for piano. Clear, well spaced notation. Highly recommended! Can't go wrong.2 of 2 people found

Willard A. Palmer's excellent edition which includes performance suggestions in the footnotes, editorial additions to the score in gray print, and Klindworth's variant (ossia) for measure 72.
