Frdric Chopin, Classical Piano Sheet Music : Chopin Masterpieces for Solo Piano: 46 Works (Dover Music for Piano) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chopin Masterpieces for Solo Piano: 46 Works (Dover Music for Piano):

2 of 2 people found the following review helpful. Print is small--By Ruth Ann My biggest complaint is with the print in this book. It is small and I wear proper eye ware when playing. Also, it seems written/presented in a bit of an antiquated way. There are some lovely Chopin pieces and Chopin being Chopin, several are very challenging. Still, I've found a beautiful nocturne I've never heard before and plan on making it mine. 1 of 1 people found the following review helpful. Small print By little lady This book has some good selections, but I have to agree with a previous

reviewer that the print is rather small. 1 of 1 people found the following review helpful. My granddaughter Rebecca loves Chopin. By Robert B. My talented pianist granddaughter Rebecca enjoys playing Chopin Masterpieces, as much as I do listening to them. As soon as I visit her, she goes to the piano.

Of all the composers of piano music, it is Chopin whose works are most frequently performed. Musicians and music lovers delight in his lovely melodies, rich harmonies, captivating rhythms, and command of total keyboard sound. This generous collection contains 46 of Chopin's most important and best-loved pieces, edited by Carl Mikuli and based on first-hand knowledge of the master's personal approach to these works. Included are the Ballade No. 1 in G Minor, Berceuse, 3 Ecosaisies, 5 Etudes (including the fiery "Revolutionary"), Fantaisie-Impromptu, "Marche Funbre" from Sonata No. 2, 8 Mazurkas, 7 Nocturnes, 3 Polonaises (including the enormously popular "Militaire"), 9 Preludes, Scherzo No. 2 in B-flat Minor, and 6 Waltzes (including the "Minute Waltz"). Reprinted from authoritative sources, this superb collection brings together a splendid selection of pieces in one convenient, attractive, low-priced volume that will provide lasting enjoyment to a wide range of pianists and music lovers.

About the Author One of the great masters of Romanticism, Frdric Chopin (1810-49) was a former child prodigy pianist who wrote many technically demanding solo piano works and introduced major innovations to the sonata, waltz, nocturne, and other forms.
