**Hawley Ades : Choral Arranging** before purchasing it in order to gage whether or not it would be worth my time, and all praised Choral Arranging:

0 of 0 people found the following review helpful. Full of practical tipsBy CustomerExcellent book full of practical advice and tips for real-world choral arranging. It does require understanding of basic harmony.1 of 1 people found the following review helpful. Highly recommended.By MusicFreakExactly what I needed. If you are well-versed in music theory and you need to get to the nitty-gritty of choral writing/arranging concepts, this book is absolute perfection. There's no babble, no long explanations - simply one example after the other illustrating the rules and concepts behind successful choral writing. Highly recommended.0 of 0 people found the following review helpful. Five StarsBy James

R. BergstenFine.

(Shawnee Press). A unique book that authoritatively discusses how to create effective vocal arrangements and techniques in virtually every major kind of vocal ensemble; sacred, secular and Baroque to jazz. Contains more than 270 illustrated examples, plus an index, study suggestions and a comprehensive bibliography. Hawley Ades had many years experience arranging for choral groups and is particularly known as the long-time arranger for Fred Waring and his Pennsylvanians. As a standard text in the field, Choral Arranging is a must for home or class study and a valued reference source for every music library.
