**Barbara A. Brinson, Steven M. Demorest : Choral Music: Methods and Materials** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Choral Music: Methods and Materials:

This essential text provides choral music educators with a well-organized, practical introduction to directing choirs and managing choral programs at the middle-school through high-school level. It offers step-by-step advice on designing and administering a choral program, from curricula to repertoire to performance, and helps instructors develop a personal philosophy of music education.
