From Flame Tree Publishing : Chords For Kids: Easy to Read, Easy to Play, For Guitar Keyboard (Easy-to-Use) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chords For Kids: Easy to Read, Easy to Play, For Guitar Keyboard (Easy-to-Use):

"Chords for Kids" is a handy resource for children and early learners of guitar and keyboard. Chords are one of the most important ways that children can learn about music. They provide a fast route into playing with others and encourage a feeling for structure and composition. The simple and clean layout provides chord diagrams on each spread, for both guitar and keyboard, allowing a parent or teacher to explain easily. Using a simple tab-per-key approach, it covers all of the basic chords in each key, including majors, minors, triads, fourths, sixths, sevenths and

ninths. Some variations are included at the back for further exploration.
