Storm Thorgerson : Classic Album Covers of the 60s before purchasing it in order to gauge whether or not it would be worth my time, and all praised Classic Album Covers of the 60s:

1 of 1 people found the following review helpful. Beautifully done
By Blunt Truth
This album cover book is one of the better ones. We use it for a coffee table book as I am a big "oldies junkie". The book feels well constructed, and the quality of images material alone is well worth the money. GREAT BUY!
0 of 0 people found the following review helpful. Good stuff
By Filipe Conde
The most wanted thing for me are not the images, that are very good by the way, but the text that shows us the thinking of this great icon of albums design. Thorgerson give us relations between visual artworks and music.

By William G. West
Good Book

This newly reformatted edition of Classic Album Covers of the 60s features more than 200 of the very best, in some cases, entertainingly worst covers that graced LPs throughout that groundbreaking decade. It takes readers on a lively journey from the wholesome joviality of the Very Merry Macs and Muscle Beach Party, through stylish and sophisticated jazz covers, to the coolest, wildest psychedelic designs of the late 60s including the Beatles Sgt. Pepper and the Incredible String Bands The 5000 Spirits.

About the Author
Storm Thorgerson is a graphic designer and filmmaker. He designed iconic record covers for the likes of Pink Floyd, Led Zeppelin, and Genesis.
