Bob Longe, David Knowles, Charles Barry Townsend : Classic Mathemagic before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Mathemagic:

2 of 2 people found the following review helpful. puzzlesBy PhilGI'm a magician and I bought this as a source of ideas for tricks. It has lots of puzzles (not adaptable for most audiences) and some very nice tricks that have no presentation ideas. It's useful to me, but would lead a young, or literal minded, magician into some very mechanical performances.

Glossy hardcover no dust jacket. 2002 280p. 7.00X5.50X1.25. THIS BOOK IS PACKED WITH MATHEMATICAL PUZZLES OF EVERY TYPE - AMAZING NUMBER TRICKS, BEAUTIFUL GEOMETRIC DESIGNES, CHALLENGING PUZZLES, MARVELOUS MEMORY TRICKS, AND MANY OTHER MATHEMATICAL AMUSEMENTS.
