Mat Coward : Classic Radio Comedy (Pocket Essential series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Classic Radio Comedy (Pocket Essential series):

Pocket Essentials is a dynamic series of books that are concise, lively, and easy to read. Packed with facts as well as expert opinions, each book has all the key information you need to know about such popular topics as film, television, cult fiction, history, and more. Jules and Sand, Bluebottle and Eccles, Tony Hancock and Sid James. Between them, these three very different shows from the '50s and '60s define and encapsulate the glory days of radio comedy. And what's more, where would contemporary radio and TV comedy be without them? Exploring the origins and lasting influence of the "Big Three," this book focuses on the comedy rather than the lives of the men behind the microphones.
