**Hollywood 360 : Classic Radio Spotlights: Frank Sinatra (Hollywood 360 - Classic Radio Collection)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Classic Radio Spotlights: Frank Sinatra (Hollywood 360 - Classic Radio Collection):

[A Hollywood 360 collection featuring Frank Sinatra and a full cast] Although "Ol' Blue Eyes" would conquer records, film, and television, it was radio that first made Frank Sinatra a star. Spanning the years 1943 to 1954, this collection showcases Sinatra from such shows as Suspense, The Frank Sinatra Show, The Jack Benny Program, The Burns and Allen Show, and more. Included is the final episode of Sinatra's action/detective series, Rocky Fortune, a low-budget radio series that he decided not to continue after winning his Academy Award for Best Supporting Actor for his role in From Here to Eternity. Enjoy these fourteen radio broadcasts featuring one of the greatest entertainers of the twentieth century.
