[Audio Theater] Here are eleven radio episodes featuring Jack Benny in different series from the golden age of radio. This collection includes episodes from The Jack Benny Program, Suspense, The Burns Allen Show, The Lux Radio Theatre, The Phil Harris Alice Faye Show, and many more.

About the Author Jack Benny (1894-1974) was an American comedian; vaudevillian; radio, television, and film actor; and violinist. Widely considered to be one of the top entertainers of the century, Benny portrayed his character as a miser, playing his violin badly. In character, he would claim to be thirty-nine years of age, regardless of his actual age. Benny was known for his impeccable comedic timing and the ability to create laughter with a pregnant pause or a single expression. His radio and television programs, popular from the 1930s to the 1970s, were a major influence on the sitcom genre.
