The book arrived quickly and in great shape. I like the material the jacket is made out of. It's harder than paper, like a thin-ish plastic. This looks very cute on the coffee table or on the bookshelf. I'm already half way done with the puzzles so I'll have to order the next one. That's another thing I like. They have multiple volumes so if you enjoy them you can continue on playing!0 of 0 people found the following review helpful.
