**David Nadal, Music Scores : Classical Masterpieces for Electric Guitar (Dover Chamber Music Scores)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Classical Masterpieces for Electric Guitar (Dover Chamber Music Scores):

Add both style and substance to your repertoire with these masterpieces of classical music! Whether you're an advanced beginner or a seasoned pro, you'll appreciate these accessible renditions of classical melodies and so will your listeners. Specially arranged and newly engraved, this collection features both solos and duos of well-known

works from the Renaissance, Baroque, Classical, and Romantic periods. It includes Grieg's "In the Hall of the Mountain King" from Peer Gynt, Moussourgsky's "The Old Castle" from Pictures at an Exhibition, and highlights from Bach's Inventions, Partitas, and Cello Suites. Other featured composers include Sor, Clementi, Byrd, Rameau, and Paganini. For the benefit of players less familiar with standard notation, editor David Nadal includes tablature for each piece. He also offers brief historical commentaries, along with technical advice on performance.
