**Maxwell : Clever Card Tricks That Anyone Can Do** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Clever Card Tricks That Anyone Can Do:

There has always been a great need for a compilation of good, practical and easily worked card tricks. Clever Card Tricks contains just what the name implies, and is a compilation of twelve (12) of the best card tricks in their field. They are impromptu, they can be done anywhere and under all conditions. They do not require sleights of any nature, no special cards or apparatus, and they are of the type that will fool good card men if not known. A revelation to the novice and a boon to the professional who wants a routine of a dozen tricks that he can perform at a moment's notice when called upon (as he invariably is) at a party, before newspaper men or gathering of any kind. Clever Card Tricks will make an expert out of the novice or beginner instantly and will save him many hours of tiring study and practice mastering the more difficult sleights. Clever Card Tricks brings you the greatest value in years.
