History, maps, groups, organizations, politics, power structure, military, everything! All in one book, presented in an absolutely gorgeous format. The writing crew (Danny Budge, Chris Charet, Alex Leonard with Michael Scott) have written a cohesive, documented fantasy city. If you play

Providence, or even are just looking for an excellent city setting, **PICK THIS UP**. It will amaze you!

Sheltered within one of Providence's massive rocky spires, Cliff Spider is a symbol of the strength and resiliency of the Alliance of Kings. The War Citadel is a unique city built entirely within natural and Wird-crafted caves. Follow the guided tour throughout the city, meet its colorful inhabitants, and uncover the agendas of various factions within the group. (Gamebooks)
