1 of 1 people found the following review helpful. Happy MomBy Literary GroupieThis book has brought my son so much enjoyment. I don't know much about games but it seems to have the codes for most of his games which apparently makes it easier for him to play. Money well spent.1 of 1 people found the following review helpful. cheatsBy D. Mendozai got this for my kid. he uses it often. get it for the kids that love gmaes they will like it. but this book in particular doesnt have the newer games so dont get it if you are looking for current codes.0 of 0 people found the following review helpful. This is okBy James DoughertyI bought this for codes for my older games. I have only used it once and haven't looked at it since
