By Jocelyne Nagy Purchased this as a gift for my son, I too am a Scooby fan so it was interesting to learn all about how the show became to be. There are also stickers included which my son was thrilled about that!

Ask any masked cartoon villains and they'll give you an earful about those "meddling kids" and their silly dog. No doubt they're whining about Scooby-Doo, America's most endearing crime-fighting Great Dane. In 1969, Scooby, Shaggy, Fred, Velma, and Daphne drove into the Saturday-morning lineup in a funky colored van, aptly dubbed "the Mystery Machine." Solving endless frightfully funny whodunits, Scooby and gang became the most successful and well-recognized troupe in the Hanna-Barbera family.
