I'm a hardcore *Scream* fan so I very much enjoyed this! But I should say it's also a spooky book to read even if you haven't seen the movie but I don't understand how someone could not have seen this movie that's a shame! This is my favorite horror series of all time 0 of 0 people found the following review helpful. great entertaining screenplay By Customer great entertaining screenplay, if you want a

movies I ever read.I would recommend the book to all my friends and co workers.

Screenplay by Kevin Williamson with a foreword by Kevin Williamson and an introduciton by Wes Craven.
