Kenneth Portnoy : Screen Adaptation: A Scriptwriting Handbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Screen Adaptation: A Scriptwriting Handbook:

0 of 0 people found the following review helpful. one of the best books to buy on screenwriting By R Zimmera very good book that goes in detail and lists challenges that you may face when adapting a book, short story, plays, to the

screen. shows examples and gives exercises from films to show how to find the best plot line for a script. this book is good for the beginner and the seasoned writer. there is so much in this book to learn in this book it is well worth buying. 6 of 7 people found the following review helpful. Life line to save time
By A Customer
As a professional screenwriter paid to adapt two novels in the past year, I would have saved copious hours if only I'd first read this book. I give it my highest recommendation wishing someone had alerted me earlier to its resourcefulness and wise insight.

Screen Adaptation : A Scriptwriting Handbook, 2nd ed. examines the challenge screenwriters face when adapting novels, plays, and short stories for the screen. Thoroughly updated to include new exercises and example from current films, this book provides practical, usable information on how to find the best plot line for a script, choose key characters, and understand the goals and formats of different genres. Topics include: determining which characters and events are most valuable on developing the main story; expanding short novellas and condensing long novels; using dialog to advance the story and reveal character; comparing the formats of plays, short stories, and novels to those of screenplays approaching the marketplace
In this book, both beginning writers and professionals will find the tools necessary to evaluate a prospective source and create a successful screenplay
