The book is beautifully laid out with statistics and over 1,000 photos of movies released in 2005. Screen World includes domestic and foreign film releases, promising new actors, biographical data and obituaries. This is the 57th volume and I am proud to say I have every edition. I highly recommend Screen World, it's the best film annual there is!1 of 1 people found the following review helpful. Some color pictures gives it classBy Donald KinscherfHave been saving Screenworld since 1979 - present and Love them. This is the first edition that has color pictures to my recollection. These pictures gives it more class and in the long run will have more people buying the book.The information found is great.0 of 0 people found the following review helpful. Movie ReviewsBy Richard G. LewisScreen World 57 is a valuable collectors item for the movie buff to the film afficiado. It contains reviews of every major film released in the U. S. and abroad. I

have purchased this book every year since 1972. I wonder what this collection could be worth?

(Screen World). The 2006 edition of Screen World highlights the surprise Academy Award-winner for Best Picture, *Crash*, featuring Matt Dillon, Terrence Howard, and Sandra Bullock, which also won Academy Awards for Best Original Screenplay and Best Film Editing; the groundbreaking gay love story *Brokeback Mountain*, winner of three Academy Awards, with Oscar-nominated performances by Heath Ledger and Jake Gyllenhaal; the Johnny Cash biopic *Walk the Line*, which earned a Best Actress Academy Award for Reese Witherspoon and a Best Actor nomination for Joaquin Phoenix; Philip Seymour Hoffman's uncanny, Oscar-winning Best Actor impersonation of Truman Capote in *Capote*; Best Supporting Actress winner Rachel Weisz in *The Constant Gardener*; plus George Clooney's *Good Night, and Good Luck*, and *Syriana*, the former bringing him Oscar nominations as director and writer, the latter the Academy Award for Best Supporting Actor. Screen World's outstanding features include: A color section of highlights and a comprehensive index. Full-page photographs of the four Academy Award-winning actors as well as photos of all acting nominees; A look at the year's most promising new screen personalities; Complete film information: cast and characters, credits, production company, date released, rating, capsule plot summary, and running time; Biographical entries: a priceless reference on over 2,400 living stars, including real name, school, and date and place of birth; Obituaries for 2005; The top box office stars and top 100 box office films. Includes over 1000 color and bw photos.
